After an introduction to Precept's inductive Bible study method, please choose either to join Option 1  
or Option 2:

**Option 1: For those new to Bible study or with limited time to study.**

Topical, practical and easy to lead too – they teach important Biblical truth. We'll equip you to know God better and you'll leave with a Bible study book that you can use to go on learning about Him on your own or in a group.

**Option 2: For those who want to go deeper**

You'll learn how to immerse yourself in God's Word book by book and acquire skills so you can discover His precepts, promises and purposes for your life. Ideal for both personal study and small groups. You will leave with a study book to continue your journey of discovery.
